ADMINISTRATION IS WORRIED OVER BLOCKADE ORDER

NIAGARA FALLS, Ont., June 8.—(Associated Press by Federal Wire)—It is understood among the South American mediators and the representatives of the United States and Mexico that the administration at Washington feels that the United States must prevent at all hazards the blockade of Tampico or other ports by a government which is not recognized by the United States and not possessing the right to effect a blockade under the international law.

WASHINGTON, June 8.—(Associated Press by Federal Wire)—Huerfano's order that federal warships effect a blockade of the port of Tampico to prevent the landing of munitions of war consigned to the constitutionalists has brought Mexican affairs to a crisis which is threatening the success of mediation and has again caused the possibility of war between the United States and Mexico to loom up big.

President Wilson yesterday was in telephonic communication with several members of his cabinet, but the nature of the decision, if any was arrived at, has not been revealed. It is believed that the sudden apprehension which has arisen in administration circles was caused by a report received from Rear-Admiral Charles J. Badger, commander of the American fleet in Mexican waters, that the two gunboats ordered by Huerta from Puerto Mexico to Tampico to effect a blockade of the latter port will arrive at Tampico at daybreak today.

Secretary of the Navy Daniels issued a statement last night that no new orders had been issued to Admiral Badger relative to Tampico; that no convoy for the Antilla is contemplated, and that there has been no change in the administration policy relative to the keeping of Tampico open for commerce.

MRS. STEVENSON TO BE BURIED BESIDE HUSBAND

LOS ANGELES, June 8.—(Associated Press by Federal Wire)—Mrs. Isabel Strong, daughter of the late Mrs. Robert Louis Stevenson, announced here yesterday that the remains of her mother will repose beside those of her husband on the summit of Mount Vaea in Samoa. Mrs. Stevenson died in Santa Barbara on February 19, following a stroke of apoplexy.

MILITANTS BREAK IN ON DIVINE WORSHIPERS

LONDON, June 8.—(Associated Press by Federal Wire)—Suffragettes yesterday disturbed the services at Westminster cathedral and also at the Church of Oratory, Brompton. In a number of cases where suffragettes attempted to hold street meetings they were mobbed by the throngs which gathered. A number of arrests were made by the police.

FORMER MINISTER UNDER ARREST AS EMBEZZLER

MEDFORD, Ore., June 7.—(Associated Press by Federal Wire)—W. E. Garland, formerly a preacher but who turned to the vocation of palmist, was arrested here yesterday on the charge of embezzlement on complaint of a Fresno woman.

REBEL AGENT WOULD BUY U. S. BATTLESHIPS

DOUGLAS, Ariz., June 7.—(Associated Press by Federal Wire)—Constitutionalist Agent Lelevier yesterday, in a telegram to General Obregon, suggested that the Constitutionalist purchase the United States battleships Idaho and Mississippi which Congress recently ordered to be sold for their cost price and the proceeds used in the construction of a dreadnought. Lelevier is confident that he can raise the purchase price. While the two battleships are in splendid condition they have become obsolete as battleships of the line in the American navy.

FEDERAL GUNBOATS MAY DESERT TO THE ENEMY

VERA CRUZ, Mex., June 7.—(Associated Press by Federal Wire)—It was reported here yesterday that two Mexican gunboats sailed from Puerto Mexico presumably to execute the order of Huerta to establish a blockade at the port of Tampico. Rear-Admiral Charles J. Badger, in command of the American fleet, has ordered the commanders of several of the American ships to follow the Mexican vessels, but has ordered non-interference with their movements. Admiral Badger also received a report that the Mexican gunboats intend to surrender to the Constitutionalist upon their arrival at Tampico.

TO STEP DOWN AND OUT ONCE MEXICO IS QUIET

NIAGARA FALLS, Ontario, June 7.—(Associated Press by Federal Wire)—The Mexican delegates to the mediation conference said yesterday that Huerta does not intend to hide behind any technicalities and that no strings are attached to his promise to resign as soon as Mexico is politically pacified.

DR. W. P. FERGUSON ADDRESSES GRADUATES OF MID-PACIFIC

"A Highway to Success" Topic Chosen for Baccalaureate By New Principal

Adopting for the first time in the history of the school the custom of a baccalaureate sermon to the members of the graduating class, Dr. Wilbur Perry Ferguson, principal of Mills school, yesterday afternoon delivered a strong address to the classes of 1914 of the Kawaiahae Seminary and Mills school. The past year at the Mid-Pacific Institute has been one of success in every department of work; the classes have been large, the teachers energetic, the students enthusiastic, and the services yesterday were a fitting climax to the school term just ended.

Following is a list of the graduates of the institute:

Mills High School—Kokichi Hayaishi, Willie Ho, Hayao Kashiwagi, Hahn Young Lee, Frank Shui Kim Lee, Yoshio Miyamoto, Kam Moon Mun, Umataro Muramatsu, Tatsuichi Nitta, Kong Sing Loy, Denshi Takeuchi. Kawaiahae Seminary, Grade VIII—Poohehi Kalia, Akana, Julia Iulani Coelho, Elizabeth Kalaehua Hana, Beatrice Mitau Hahidahi, Lizzie Luahiwa Iana, Maggie Kalaehua Kalaehua, Lakana Kamohia, Kamau, Sardinia Kapolanihomo Kapaemano, Emily Pitani Louis, Wai Hong Loo, Ellen Kuananoe McCandless, Elizabeth Halelau Mahoney, Ellen Pakiko, Carrie Pauhona Pauke, Jennie Kaohua Stewart, Eliza Tai Kyau Wong.

Mills Grammar School—Choy Doo Whan, Chun Poo, Kiyochi Doi, Fulto Fujimoto, Zensuke Kanashiro, Kim Fong Chong, Naoya Kurokawa, Lee Pok Kee, Bernardo Lucion, Shinji Maruyama, Keli Okasaki, Toshio Seo, Wataru Shimizu, Ah Shin, Pedro S. Soliman, Hideoaki Takahashi, Suetatsu Takemoto, Tin Fook, Chiezo Umimoto, Masayoshi Yamashiro.

The program was opened with a song service, taken part in by the Kawaiahae Seminary students and the Mills School girls club, and an invocation by Rev. A. A. Eberole, associate pastor of Central Union church. The platform was occupied by Doctor Ferguson and Miss Mabel Boshier, principal of Kawaiahae. Taking as his subject, "A Highway to Success," Dr. Ferguson spoke, in part, as follows:

"For success every heart is hungry; and toward it all hands are stretching, and all feet are pressing. Men, earnest in its pursuit, have crossed all seas, traversed all forests, sailed all lakes and rivers, scaled all mountains, analyzed all substances, faced all risks and sacrificed all comforts. And yet men cannot agree upon what constitutes success. The fixing of standards is ever most difficult. Until recently there have been 40 standards for diamonds in the world's markets. It was only in July, 1913, that the United States, the largest purchaser of diamonds, and Belgium, the largest exporter, agreed upon the new standard of 200 milligrams to a karat. Thus in success standards have varied. The only satisfying theory amid life's seeming inequalities, its discouragements and its perplexities, is the theory that life is measured, not by achievements, but by purposes, not by riches, honors and emoluments, but by motive and spirit.

"Briefly stated, a high and holy purpose loyally obeyed spells success in any life under any condition. When a noble purpose is deeply seated in mind and heart it gives tone and quality to the whole life, and is the true standard of success. What, then, is the true purpose of life?

"From modern fiction and many theaters one would be led to think that to be 'natural'—to be one's self—will give power and pleasure to life. To be one's self is quite the thing if this merely means that individuality is not to be lost in the great mass movements of the present; but the theory is debasing if it means one is to follow, unguided and unchecked, his own impulses and passions, his own whims and prejudices. The best natural is pervaded and inspired and uplifted by the supernatural.

"To make life standard the highest and achieve the success God's just judgment approves, we must enlarge the theory of culture by this amendment, 'the largest self-development possible for the sake of the greatest good to the greatest number.' This gives full play to high ambition but guides its final aim.

"All are in need of each one. Nothing is good or fair alone. Thus sang Emerson and his note is in harmony with what Christ taught: 'Him that is greatest among you, let him first serve.'

"Speaking to the graduating classes, he said:

"Classes of 1914, from the gay dreamland of your youth I have pointed out a path to success that may seem rugged and steep, but only such a path leads to a summit crowned with sunlight and glory. You may reach it, step by step. With this conception of life you may be poor and yet rich. You may be inconspicuous and yet honored. You may be defamed but you will have the truest respect, you cannot fail. You will be strong and of good courage. You will make your way prosperous and have good success. Success not in a week, nor in a month or a year. Be patient, therefore, and by faith, hope and love—the old, but never decadent, virtues that God's word teaches you will make your lives beautiful, useful and prosperous.

The annual commencement exercises will take place tomorrow afternoon at 3 o'clock. Prof. Parley L. Home, retiring principal of Kawaiahae Seminary, will deliver the address, and as class representative and valedictorian, Kong Sing Loy will speak.

ATTEMPT TO POISON WIFE OF AFFINITY

SAN FRANCISCO, June 7.—(Associated Press by Federal Wire)—Mrs. George Burk Simmons, 42 years of age, married, and a resident of Winslow, Arizona, is in jail here and has confessed that she sent poisoned candy to Mrs. William H. Dagg and two daughters of San Diego. The women were formerly friends. Mrs. Simmons loved Mr. Dagg, who finally separated from his wife and the latter charged Mrs. Simmons with being responsible for the estrangement. Mrs. Dagg became violently ill from partaking of the sweetmeats. Mrs. Simmons was traced through a telephone inquiry as to the effects of her plot against the Dagg family. After her arrest and confession Mrs. Simmons insisted that she had no intention of killing Mrs. Dagg or her daughters but wanted to make them sick.

noon at 3 o'clock. Prof. Parley L. Home, retiring principal of Kawaiahae Seminary, will deliver the address, and as class representative and valedictorian, Kong Sing Loy will speak.

There are 49 in the combined classes.

CITY OF MEXICO, June 7.—(Associated Press by Federal Wire)—The foreign office has notified all the legations that Tampico has been blockaded upon order of Huerta. The Spanish minister at Washington was asked to notify the United States of Huerta's proclamation.
